Rules of Engagement for Preliminary Selection Round

Financial Institutions and Critical Information Infrastructure (CII) Cyber Drill 2024

Version 1.1

BGD e-GOV CIRT is delighted to unveil the Financial Institutions and Critical Information Infrastructure (CII) Cyber Drill 2024, a significant event tailored for Bangladeshi cybersecurity professionals. This initiative underscores our dedication to empowering professionals in the field by offering a challenging platform to fortify their capabilities against the ever-evolving landscape of cyber threats. This unique drill is crafted to simulate real-life cybersecurity scenarios, events and incidents, providing participants with hands-on challenges that demand the use of specialized skills and tools. Participants will analyze the incidents and relevant artifacts to identify the solutions to the challenges. The necessary artifacts and Virtual Machines (VMs), along with the required access credentials, will be provided to the drill participants as needed.
